

Amethyst Academies Trust

enabling everyone to thrive and be the best they can be

Our **vision** for Amethyst Academies Trust is that together we:

enable everyone whatever their starting points to thrive and be the best they can be.

To achieve our vision we have a **mission statement** to define our purpose for being:

- The very best outcomes for learners and their families are at the heart of our core purpose
- Our staff team and partners share a collective passion and motivation to be the best they can for our learners and their families.
- Our Trust is ambitious and relentless in ensuring the highest expectations and best outcomes for all.

It is with and through them that we will make our vision a reality Our **core values** underpin and drive our vision and mission statement forward. Therefore we are driven by the values of:

Amethyst Academies Trust

enabling everyone to thrive and be the best they can be
